**Notre Dame Head Coach Mike Brey**

**Opening Statement:**

"They (Florida State) are really good. We still had an opportunity even though they (Florida State) shot like I have never seen before. They calmed down a little bit and I am really proud of our group for giving us a chance. Disappointing though with the chances we had there at the end. I give a tip of the cap to Florida State, they make great plays. I love Leonard (Hamilton), and he is a good friend. Congratulations Florida State, you are fearless, and can win it.
