This is just the second time UVA was picked in the preseason to win the title (1982). Duke, Florida State, North Carolina and Louisville rounded out the ACC's preseason top five.

- Eight ACC players are on the watch list for the 2021 Naismith Trophy, tied for the most of any conference: Scottie Barnes (FSU), Garrison Brooks and Caleb Love (UNC), Sam Hauser (UVA), Matthew Hurt, Jalen Johnson and Wendell Moore (Duke) and David Johnson (Louisville).

COMMITTEE FOR RACIAL & SOCIAL JUSTICE

The ACC's Committee for Racial and Social Justice (CORE - Champions of Racial Equity) announced three initiatives in conjunction with its member institutions on Sept. 3.

- Mandatory diversity and inclusion training for student-athletes, athletic department and conference staff
- Creation of ACC Unity Symbol as a visual representation of solidarity among the ACC's 15 institutions
- ACC Unity Statement to be read prior to every league contest

Student-athletes, athletic department and conference office staff will be required to attend annual diversity and inclusion training. The initiative was unanimously approved by the conference athletic directors. The focus of this year's training will be anti-racism.

The ACC's unity symbol – "UNITE" – will be displayed in venues and on video boards throughout the league, as well as at ACC Championship events and on social media.

CORE also has introduced a Unity Statement, which will be read at all ACC events: "We, the ACC, are committed to seeing each other as equals, supporting each other, and treating each other with respect and dignity at all times, recognizing that our differences don't divide us, but they make us stronger."

CORE's work is ongoing and guided by its mission statement, which is "to promote and encourage racial equity and social justice through education, partnerships, engagement and advocacy."

Among CORE's actions to date: the ACC Office's recognition of Juneteenth as a holiday; working with its institutions to increase voter education and vote, with some ACC schools serving as polling places; engaging in conversations and education throughout the conference with staff and student-athletes and initiating partnerships with local organizations and community groups; empowering students and student-athletes to engage with fans around the topic of social justice to minimize misunderstandings.

CORE's central values and goals:

- Create meaningful, lasting change by improving systems, organizational structures, policies, practices and attitudes
- Have representation at all levels that is reflective of the make-up of the student-athlete population
- Inclusion and empowerment of diverse individuals
- Accountability for hiring practices
- Integrity
- Fairness
