All six home runs were by different players, including first career home runs by Kaley Mudge, Michaela Edenfield and Brooke Blankenship. Mack Leonard hit her first home run as a Seminole.

Both Mack Leonard (1.200) and Jahni Kerr (1.250) are slugging over 1.000. Leonard has one home run and one triple as she has brought in five RBI. Kerr hit a home run in her third game back since tearing her ACL against Georgia Tech last season. She also had two triples and a double.

PITCHING DOMINANCE
Through four games the Seminole pitching staff of Danielle Watson (2-0), Kathryn Sandercock (1-0) and Emma Wilson (1-0) combine to 4-0 without allowing an earned run. Watson has 14 strikeouts in eight innings of work, while allowing just two hits. Sandercock record 10 strikeouts in eight innings allowing six hits.

KALEI HARDING BACK FOR MORE
Kaley Harding returns for her sophomore season after a stellar freshman season in which she was named to the All-ACC Freshman and Third Team.

She started in 58 games while playing in 60 of the Noles 63 games in 2021. She finished the season with a .278 batting average, 10 doubles, three triples and six home runs. Harding came to Tallahassee as a catcher but showed her versatility, playing mostly in the outfield while also playing as a corner infielder.

Harding showed off her arm strength during the Women's College World Series last season in game one against Oklahoma. WATCH HERE

So far in 2022 Harding has four RBI in nine plate appearances, including one home run

MUDGE MAKING THE MOST OF STARTING
Kaley Mudge started just eight games before starting the final 14 games for the Seminoles in the postseason last year. After earning her first of 14 straight starts in the semifinal of the ACC Tournament against Duke (May 14, 2021) Mudge raised her batting average from .261 to .333.

Mudge batted in the leadoff position in all 14 of the games helping FSU go 10-4 over that stretch and led FSU to the championship series of the WCWS.

Mudge became the first student-athlete to record five hits in a seven-inning game at the WCWS on June 7, 2021 against Alabama. She holds the WCWS record for hits in a single World Series with 14.

To start off 2022 Mudge is hitting .500 in four game. She hit her first career home run in the season opener against Mercer. She has scored four runs in 10 plate appearances.

ACC PRESEASON FAVORITE
For the ninth consecutive season, Florida State was chosen as the preseason favorite to win the 2022 ACC regular season championship, as voted on by the league's 13 coaches.

FSU earned 139 points and eight of the eligible 12 first-place votes, as teams were not allowed to vote for themselves. Clemson (2 first-place vote) was selected to finish second followed by Virginia Tech (2 first-place vote) and 2021 ACC Champions Duke (1 first-place vote).
**PRESEASON ALL-ACC**
The Seminoles were tied for the second most players on the 2022 Preseason All-ACC Team, as Florida State had two of the 14 student-athletes on the list.

Sydney Sherrill was selected to the Preseason All-ACC Team for the fourth consecutive season. She was named to the All-ACC First team last season and was selected as the ACC’s Defensive Player of the Year for the second straight season.

Kathryn Sandercock was named to the Preseason All-ACC Team for the first time in her career. Sandercock was dominant last season, finishing with a 27-4 record and a 1.25 ERA. She was named an NFCA Second Team All-American last season, to the All-ACC First Team and to the Women’s College World Series All-Tournament Team.

**PRESEASON TOP-100 PLAYERS**
Florida State placed four players on the 2022 Softball America Top 100 - No. 20 Kathryn Sandercock, No. 30 Sydney Sherrill, No. 70 Danielle Watson, and No. 74 Mack Leonard

**USA SOFTBALL COLLEGIATE PLAYER OF THE YEAR WATCH LIST**
Heading into the 2022 season, Sydney Sherrill and Kathryn Sandercock were named to the Top 50 Watch List for the USA Softball Collegiate Player of the Year.

Waldrop won the award in 2014 after leading the NCAA with 38 wins and finished third nationally with a 1.13 ERA. Florida State was the first school in the nation with multiple winners of the USA Softball Player of the Year award, as Jessica van der Linden was given the national award in 2004.

**SHERRILL AND SANDERCOCK CONTINUOUS RECOGNITION**
Sydney Sherrill and Kathryn Sandercock have been ranked in every preseason ranking after their performances a season ago. Both were also named preseason All-Americans by D1 Softball and Softball America.

Sandercock is 49-5 in her career and has a 1.63 ERA through three seasons of action. She had a career year a season ago as she earned 127 strikeouts in 178.2 innings of work. She finished the season with a 1.25 ERA.

Sherrill is one of the most decorated players in Florida State history. The 2018 National Champion is a three time member of the All-ACC First Team and a two time NFCA All-American. Sherrill is also the two time reigning ACC Defensive Player of the Year.

**SANDERCOCK NAMED TO TEAM USA ROSTER**
Kathryn Sandercock was a part of the Team USA tryouts earlier this year and on February 1 it was announced that she would be on the roster for the 2022 Canada Cup (June 20-26) and the 2022 Japan All-Star Series (August 1-9).

Rafter was named the newest head coach for the Canadian National team this fall.

**OLYMPIC EXPERIENCE**
Head coach Lonni Alameda and volunteer coach Kaleigh Rafter participated in the Tokyo Olympics this past season. Alameda was Canada's pitching coach and Rafter was the starting catcher for Team Canada. Together, the two helped lead Canada to a Bronze Medal.

**TURNING TWO**
Through 63 games last season, Florida State turned 33 doubles plays. That led the ACC and was ranked second in the country.

Florida State returns three of their four infielders from last season's team (Flaherty, Sherrill and Muffley). The Nole's are breaking in a new catcher and first baseman. Redshirt freshman Michaela Edenfield is starting behind the dish with transfer Bethany Keen starting at first.

Through four games the Noles have already turned two double plays.

**SPEED ON THE BASES**
Florida State returns a ton of speed on the bases. The Nole's ranked sixth in the country a season ago with 117 stolen bases. FSU returns players that accounted for 83 of those.

11 WCWS APPEARANCES • 17 ACC CHAMPIONSHIPS • 33 NCAA APPEARANCES
FAMILY - When you play softball at Florida State, you don’t just play for a team, you play for a family. Each person cares for their teammates as if they were a sister, committing to each other through thick and thin. As members of an extended softball family, each one motivates the other and enjoys seeing them succeed. When issues arise, communication is key and allows for a loving relationship that creates a bond that results in an entire team of student-athletes fighting for each other, both on and off the field to be the best they can be.

SMART - Being smart, in a wide variety of disciplines, is a cornerstone of the Florida State softball program. In school, it allows you to achieve a degree and plan for a future after softball. At practice, it means training with a purpose, honing your skills and gaining experience by not just going through the motions. In the game, it means having a plan at plate offensively or a pitching and defensive shift plan for opposing hitters based on various scouting reports. Off the field, it means making wise decisions with time management and other activities to be able to be at your best.

AGGRESSIVE - You aren’t just given things in life, you must aggressively pursue your dreams in order to achieve them. Being aggressive means taking that extra base on a ball in the gap, stealing second when you need to get a runner into scoring position, heading to your teacher’s office hours to talk about things you may not have understood in class, going after a hitter with your best pitch in the best location and challenging yourself to become the best you can be because you are passionate about helping the team succeed.

COMPETITIVE - A team-based sport is one of the most competitive dynamic there is in life. To be successful, you need to be competitive in many areas. We strive to be competitive on the field, winning individual games, along with conference and national championships. We are competitive with each other on the team, knowing that we make each other better as each one raises their level of skill and accomplishments. We are also competitive off the field, in the classroom and in the workforce as there are many who would seek to be where we are, but only few will attain it.

COMMITTED - The previous four core values mean nothing unless everyone is committed to it. Obstacles and challenges will come up. Losses on the field and issues off of it will occur and cause problems that will need to be addressed. But when we are committed - to each other, to the team, to the goals that have been set - very little can disrupt our goals and pursuits. A unified force with a united passion is very difficult to stop and our commitment to the vision and the process will enable us to be successful.

Core Values Shape Culture
• The Seminole Softball team has incorporated these values into all areas of team life, both on and off the field.
• Each fall since 2015, FSU has experienced “The Program”, a two-day boot camp event where the team has worked on communication, problem solving, endurance, perseverance, paying attention to details and teamwork while accomplishing tasks on the field, at a pool, on the beach, in the woods, among others.
• Each year, the team has been able to build trust within the team by attaining goals and going through the physical and mental adversity that The Program imposes on them as a collective team and unit.
• The Seminoles also start each game and practice at “The GATE”, which at JoAnne Graf Field is a physical gate, but it helps to focus on being present for the team, allowing outside distractions to stay outside and to “Give your All to the Team Everyday.”
“PLAY FOR THOSE WHO CAN’T”

One of the foundational principles that Florida State softball is built on is, “Play for those who can’t.” The Seminoles have displayed that throughout the years, including recently with people like Taylor Foster, Madison Marshall, Hayden Stone and Monk Bonasorte.

Taylor Foster became part of the FSU family in 2013 through a connection with the ACC, and despite growing up in North Carolina, dreamed of playing softball for the Seminoles. Foster was diagnosed with bone cancer in at the age of 13 and her passion and enthusiasm in the face of such adversity never faltered. The Noles would routinely stop by to see Taylor and her family when playing NC area schools and the players and coaches would often keep touch via calls, texts and video chats. After her passing in April of 2014, an annual memorial tournament and camp was started and organized by FSU softball players, coaches and support staff for youth in North Carolina to share Taylor’s passion for the game and tell of her legacy.

In 2016, and through a partnership with The Friends of Jaclyn Foundation, FSU softball adopted Madison Marshall who had been diagnosed with a brain tumor in 2014 at the age of 14. The Friends of Jaclyn Foundation was created in 2005 and pairs children with pediatric brain tumors with collegiate sports teams, as they have seen the symbiotic relationships that are formed help both the child going through such a difficult situation, but also the teams that are able to come along side a family and help them fight and learn a new appreciation and perspective on life.

In 2019, again in partnership with the Friends of Jaclyn Foundation, the Seminoles adopted Hayden Stone, who had been diagnosed with a soft tissue cancer and lives in Tallahassee. Hayden and her family come to nearly every home game and during the 2019 season, the FSU players drew smiley faces on their necks in honor of Hayden as a way for her reduce the stigma of a scar on her neck.

Monk Bonasorte, one of the main FSU athletic administrators responsible for hiring Lonni Alameda as head coach in the fall of 2008, had played football at FSU in the late 70s, and was voted into the FSU Athletics Hall of Fame in 1995. As a result, he bled Garnet and Gold and became a significant supporter of FSU softball, as well as all of the other sports on campus. In October of 2015, Bonasorte was diagnosed with brain cancer, yet never wavered in his passion for FSU and life. Right up to his passing in November of 2016, he continued to give his life to this university and be an example of the Florida State “Unconquered” spirit.

In 2017, the Lonni Alameda Softball Camps began the annual Monk Bonasorte Camp (Camp MB42), where the young players in attendance not only learn about the skills of softball, but also about life and who Monk was, what he meant to Florida State and how he battled through such adversity. All of the proceeds of the annual camp go to the FSU Monk Bonasorte Scholarship, and to date, the camp has raised over $8,500.

There are numerous other relationships that have been formed over the years with young fans like Amber Howard and Maddie Briscoe, and even former players such as Dana Bailey that have battled cancer, the FSU players and staff know that there is much more to life than just this game. Though several are now gone, they are certainly not forgotten and remain a significant part of Seminole softball to this day.
