COVID-19 GUIDELINES

Florida State University is committed to ensuring the health and safety of the entire campus community and all visitors to our great University. Our main priority is to ensure the mission and crucial functions of the University while keeping the community as safe and healthy as possible.

The guidelines outlined below are based on recommendations from local, state, and Federal entities. FSU has relied heavily on guidance from the Centers for Disease Control (CDC), the Florida Department of Health, Florida Board of Governors, FSU's Emergency Management, and Environmental Health & Safety offices.

The University continues to monitor important information and data regarding COVID-19 and will update guidance as appropriate.

SAFETY GUIDELINES

Cloth Face Coverings/Face Mask

Effective Aug. 9, 2021: The Florida Board of Governors and Florida State University expect masks to be worn by all individuals in all FSU facilities. This includes all students, faculty, staff, vendors and visitors. Recent studies and guidance from the CDC state that both unvaccinated and vaccinated individuals can transmit the COVID-19 variant to unvaccinated persons. We expect you to help mitigate the spread by wearing a mask. #StayHealthyFSU

CLEAR BAG POLICY

Each fan is allowed one clear bag (plus clutch or small purse) into FSU home athletic events that conform to the following restrictions:

- CLEAR plastic, vinyl or PVC no larger than 12" x 6" x 12" (readily available one-gallon, clear, re-sealable plastic storage bags meet the policy)
- If a logo appears on the bag, it cannot be larger than 4.5" x 6.5"
- Small clutch bags no larger than 4.5" x 6.5", or approximately the size of a hand, with or without a strap are allowed.
- Medically necessary items that are too large to fit into a clear bag within allowable dimensions can be brought only after clearing a screening process at the main gate. The clear bag policy has been adopted to allow for a safer environment at Florida State home events and in keeping with increased security practices being implemented at venues around the country.

Frequently Asked Questions About the Clear Bag Policy

How does this policy improve public safety?

The clear bag is easily and quickly searched and greatly reduces faulty bag searches. It also supports the Department of Homeland Security's "If You See Something, Say Something" campaign.

How is this policy more convenient for fans?

Clear bags will enable security to move fans through check points much faster than in the past. A standard bag eliminates the need for bag templates to check bag sizes. Clear bags will allow staff to be more efficient and effective in keeping you safe by preventing dangerous items from entering the Mike Long Track.

How many bags can each person bring into the Mike Long Track?

One large clear bag – either a one-gallon Ziploc style bag or the 12" x 6" x 12" clear bag – plus a small clutch. The larger clear bag must be a standard 12" x 6" x 12" made of CLEAR PVC vinyl and visually searchable. The small clutch allows for privacy for small personal items and is easily searched.

Are seat cushions, seat back chairs allowed?

Yes, seat cushions and seat back chairs will be allowed to be placed on the bleachers at the Mike Long Track. (See posted list on right.)

The sign features the Florida State logo at the top. Below it, the text reads "FLORIDA STATE CLEAR BAG POLICY". Underneath, it says "APPROVED ITEMS" and lists five categories with illustrations: CLUTCH (4.5" x 6.5"), SMALL PURSE (4.5" x 6.5"), WALLET, CLEAR TOTE BAG (12" x 6" x 12", one bag per person), and PLASTIC STORAGE BAG (one gallon, resealable, clear, one bag per person).

Current list of prohibited items includes, but is not limited to, the following:

- Alcohol or illegal drugs
- Weapons or explosives
- Umbrellas
- Food or beverage from outside the track
- (Empty bottles or cups will be permitted)
- Hard coolers or ice chests
- All bags that are not clear plastic, vinyl, or PVC
- All bags larger than 12" x 6" x 12"
- Chair backs with arms or chairbacks that are larger than a single seat
- Artificial noisemakers (whistles, bells, airhorns)
- Video equipment, tape recorders, cameras with lenses longer than 6"
- Sticks, poles, flags, or signs
- Laser pointers
- Laptops
- Pets
- Strollers
- Personal transportation devices
- (Skateboards, hover boards, etc.)
- Beach balls or other airborne objects

Additional items may be prohibited at the discretion of the law enforcement officials as dictated by increased threat conditions.
