

# Florida State University Track & Field and Cross Country Athletic Scholarship Standards and Walk-On Consideration

Greetings and thank you for your interest in the Florida State Track & Field/Cross Country program. We encourage you to browse our website for information about our program. Please be sure to review our scholarship and walk-on standards found on the next page before contacting coaches in your respective event areas.

Keep in mind that per NCAA rules, we cannot contact prospective student-athletes prior to June 15 of their sophomore year. Also, due to the volume of inquiries we are not able to answer every e-mail.

Thank you and Go Noles!

Reaching these standards will not guarantee you an athletic scholarship or spot on the team. Multiple factors are considered including, academic performance, scholarship availability and team needs. Also note that scholarships can range in value from 1-100%.

Competition for scholarships is keen between high school, junior college, international and current FSU athletes. If you've met the above standards we encourage you to contact us!

*Cross country athletes will be evaluated on performances at their State Championship, Foot Locker and Nike regional and national competitions.*
