Florida State vs. Troy
Monday November 14, 2022
Donald L. Tucker Center
Tallahassee, Fla.

Troy Head Coach Scott Cross

Opening Statement

“It was a great basketball game for us. Our guys were extremely locked in and played about as tough of a basketball game as we possibly could. We shot the ball extremely well. We’re very disruptive defensively. I think we created a lot of turnovers, which is a big, big difference in the game. We knew that we were going to have to play our best basketball and we would come away with a victory. I feel like we did that tonight. I feel for Coach Hamilton and their team being so short-handed. I know I’ve been there before and I know that is not easy. He does a great job. We’re just super, super thankful for this victory tonight.
