FIVE CORE VALUES OF FLORIDA STATE SOFTBALL

F

FAMILY - When you play softball at Florida State, you don't just play for a team, you play for a family. Each person cares for their teammates as if they were a sister, committing to each other through thick and thin. As members of an extended softball family, each one motivates the other and enjoys seeing them succeed. When issues arise, communication is key and allows for a loving relationship that creates a bond that results in an entire team of student-athletes fighting for each other, both on and off the field to be the best they can be.

S

SMART - Being smart, in a wide variety of disciplines, is a cornerstone of the Florida State softball program. In school, it allows you to achieve a degree and plan for a future after softball. At practice, it means training with a purpose, honing your skills and gaining experience by not just going through the motions. In the game, it means having a plan at plate offensively or a pitching and defensive shift plan for opposing hitters based on various scouting reports. Off the field, it means making wise decisions with time management and other activities to be able to be at your best.

A

AGGRESSIVE - You aren't just given things in life, you must aggressively pursue your dreams in order to achieve them. Being aggressive means taking that extra base on a ball in the gap, stealing second when you need to get a runner into scoring position, heading to your teacher's office hours to talk about things you may not have understood in class, going after a hitter with your best pitch in the best location and challenging yourself to become the best you can be because you are passionate about helping the team succeed.

C

COMPETITIVE - A team-based sport is one of the most competitive dynamic there is in life. To be successful, you need to be competitive in many areas. We strive to be competitive on the field, winning individual games, along with conference and national championships. We are competitive with each other on the team, knowing that we make each other better as each one raises their level of skill and accomplishments. We are also competitive off the field, in the classroom and in the workforce as there are many who would seek to be where we are, but only few will attain it.

C

COMMITTED - The previous four core values mean nothing unless everyone is committed to it. Obstacles and challenges will come up. Losses on the field and issues off of it will occur and cause problems that will need to be addressed. But when we are committed - to each other, to the team, to the goals that have been set - very little can disrupt our goals and pursuits. A unified force with a united passion is very difficult to stop and our commitment to the vision and the process will enable us to be successful.

Core Values Shape Culture

- The Seminole Softball team has incorporated these values into all areas of team life, both on and off the field.
- Each fall since 2015, FSU has experienced "The Program", a two-day boot camp event where the team has worked on communication, problem solving, endurance, perseverance, paying attention to details and teamwork while accomplishing tasks on the field, at a pool, on the beach, in the woods, among others.
- Each year, the team has been able to build trust within the team by attaining goals and going through the physical and mental adversity that The Program imposes on them as a collective team and unit.
- The Seminole also start each game and practice at "The GATE", which at JoAnne Graf Field is a physical gate, but it helps to focus on being present for the team, allowing outside distractions to stay outside and to "Give your All to the Team Everyday."

“PLAY FOR THOSE WHO CAN’T”

One of the foundational principles that Florida State softball is built on is, “Play for those who can’t.” The Seminoles have displayed that throughout the years, including recently with people like Taylor Foster, Madison Marshall, Hayden Stone and Monk Bonasorte.

Taylor Foster became part of the FSU family in 2013 through a connection with the ACC, and despite growing up in North Carolina, dreamed of playing softball for the Seminoles. Foster was diagnosed with bone cancer in at the age of 13 and her passion and enthusiasm in the face of such adversity never faltered. The Noles would routinely stop by to see Taylor and her family when playing NC area schools and the players and coaches would often keep touch via calls, texts and video chats. After her passing in April of 2014, an annual memorial tournament and camp was started and organized by FSU softball players, coaches and support staff for youth in North Carolina to share Taylor’s passion for the game and tell of her legacy.

In 2016, and through a partnership with The Friends of Jaclyn Foundation, FSU softball adopted Madison Marshall who had been diagnosed with a brain tumor in 2014 at the age of 14. The Friends of Jaclyn Foundation was created in 2005 and pairs children with pediatric brain tumors with collegiate sports teams, as they have seen the symbiotic relationships that are formed help both the child going through such a difficult situation, but also the teams that are able to come along side a family and help them fight and learn a new appreciation and perspective on life.

In 2019, again in partnership with the Friends of Jaclyn Foundation, the Seminoles adopted Hayden Stone, who had been diagnosed with a soft tissue cancer and lives in Tallahassee. Hayden and her family come to nearly every home game and during the 2019 season, the FSU players drew smiley faces on their necks in honor of Hayden as a way for her reduce the stigma of a scar on her neck.

Monk Bonasorte, one of the main FSU athletic administrators responsible for hiring Lonni Alameda as head coach in the fall of 2008, had played football at FSU in the late 70s, and was voted into the FSU Athletics Hall of Fame in 1995. As a result, he bled Garnet and Gold and became a significant supporter of FSU softball, as well as all of the other sports on campus. In October of 2015, Bonasorte was diagnosed with brain cancer, yet never wavered in his passion for FSU and life. Right up to his passing in November of 2016, he continued to give his life to this university and be an example of the Florida State “Unconquered” spirit.

In 2017, the Lonni Alameda Softball Camps began the annual Monk Bonasorte Camp (Camp MB42), where the young players in attendance not only learn about the skills of softball, but also about life and who Monk was, what he meant to Florida State and how he battled through such adversity. All of the proceeds of the annual camp go to the FSU Monk Bonasorte Scholarship, and to date, the camp has raised over \$8,500.

There are numerous other relationships that have been formed over the years with young fans like Amber Howard and Maddie Briscoe, and even former players such as Dana Bailey that have battled cancer, the FSU players and staff know that there is much more to life than just this game. Though several are now gone, they are certainly not forgotten and remain a significant part of Seminole softball to this day.
